Dear HANSHENG,

CONGRATULATIONS on your completion of an ACA Level 1: Introduction to Stand Up Paddleboarding Skills Assessment!

Welcome to the ACA community of paddlesport professionals, and thank you for helping to further develop the ACA's gold standard for education and instruction. We appreciate your commitment to safe and enjoyable paddlesports and look forward to working with you as you continue to share your knowledge and passion with paddlers of all levels and abilities. The official certificate and wallet-sized card included with this letter pack a wealth of benefits. You'll want to keep them in your records and be sure to visit us online at <https://americancanoe.org> to take advantage of your resources through the ACA.

Don't forget to browse your profile within the ACA Course Management System (CMS) to access your ACA course history, your earned credentials, and a real time search feature to assist in finding additional courses and certified instructors to further your paddling experiences: <https://cms.americancanoe.org>.

For a collection of educational paddling resources such as videos, infographics, brochures, and statistics, please visit: <https://americancanoe.org/education/resource-library>.

On behalf of the ACA National Office and the Safety Education & Instruction Council (SEIC), thank you!
